GSA Contract Holder

GSA MANUFACTURER PARTNERS:

OTHER SPINITAR MANUFACTURER PARTNERS:

Spinitar is pleased to offer U.S. General Services Administration (GSA) benefits (contract number GS-03F-0001P) to government clients as part of its audio, visual and information technologies and solutions offerings.

Local, state and federal government facilities and organizations rely on audiovisual technology solutions that provide mission-critical, 24x7 uptime and operation.

With more than 20 years of experience in systems integration, Spinitar has worked with many government organizations at the city, state and federal level, including the City of San Francisco, Federal Aviation Administration (FAA) and Science Applications International Corporation (SAIC).

OUR SOLUTIONS AND SERVICES INCLUDE:

- Remote monitoring services
- Integrated AV/IT services
- Videoconferencing solutions
- Meeting collaboration tools
- Custom systems integration
- Digital signage solutions
- Outsourced and managed services
